Connection Credit Union

2024 Scholarship Award Program

Connection Credit Union offers a scholarship fund for the benefit of our members. The purpose of the scholarship is to recognize and provide financial assistance to college and trade/technical school students pursuing an education in any degree program of study.

This scholarship award is subject to the following rules and regulations.

1. The applicant must be a member of Connection Credit Union at the time of application. Applicant must be the primary member on their CCU account and the account must be **active** and in good standing with the credit union to be eligible to receive an award.
2. The applicant must be a senior attending high school or any year in college, and must have maintained a 3.0 (“B”) average over the last three quarters or two semesters.
3. The recipient must attend a college certified by a regional accreditation association, or a school recognized by the Accrediting Commission of Career Schools & Colleges of Technology (ACCSCCT). The recipient must provide proof of verified registration at an approved school in order to receive award funds.
4. The application must be on the official Connection Credit Union application form and received by the credit union by June 14, 2024. Mailed applications received after the deadline but postmarked by the designated date will be accepted. Applications that are incomplete or missing required information will not be forwarded to the committee for consideration.
5. A committee appointed by the credit union’s Board of Directors shall select awardees. Applications will be redacted before they are sent to the committee to remove names and identifying information so a “blind” selection process may be made without influence.
6. Annually the Board of Directors approves a scholarship fund to be distributed among the winners as determined by the Scholarship Committee. In addition, the Board has set an award minimum of \$500 per selected recipient. Recipients will be notified of awards in July.
7. A recipient is limited to one award per year. Scholarships are awarded one time only and are not automatically renewable. A recipient may apply again in subsequent years.
8. Payment of the award shall be made directly to a recipient upon submission of verified registration at an approved school. The awards will be presented at the credit union’s July Board meeting, which the recipients should attend if possible.
