

Introducing the Card Boss app

Take control of your Connection CU credit & debit cards!

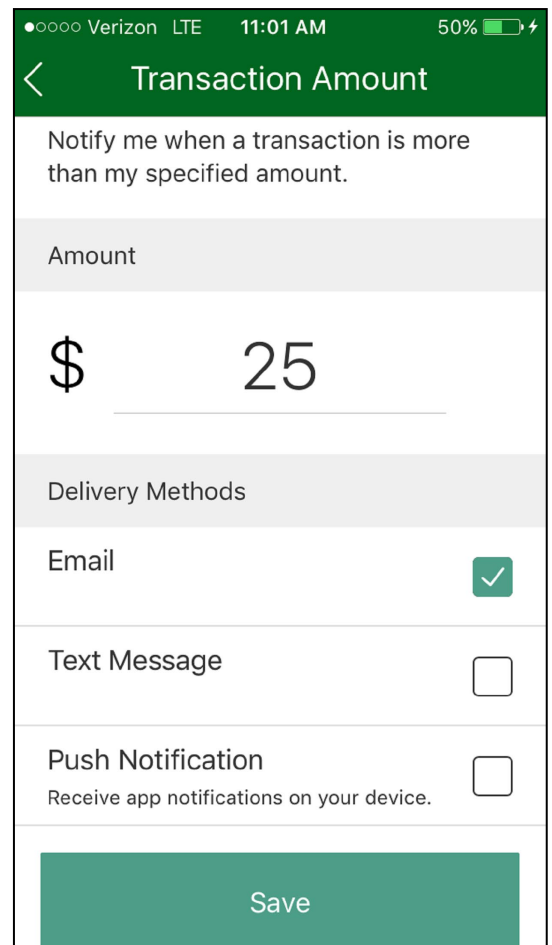

Welcome to one simple app that allows you to set controls and alerts for your Connection CU debit and credit cards

Lock your card if it's misplaced, set a transaction dollar limit, or restrict certain types of transactions, all with a few simple clicks!

Customize alert settings for activity on your card. Alerts can be sent to you via email, SMS/text message and/or push notifications. Choose one, two or all three methods for any of your alerts. It's your choice!

Available for iOS and Google/Android, find it in the App Store
